

## DCI ENNEAGRAM LEARNING SERIES

### ICF Mentor Coaching: Moving Toward Mastery - Up the Ante on Your Coaching Skills and Growth

Break out of habitual coaching patterns, courageously walk the gritty, yet transformative path, trust your inner knowing and coach to your client's magnificence.

Diana Redmond, PC

Join [Diana Redmond](#) for 10 individual virtual sessions of Mentor coaching for continued development of core coaching competencies. Whether you are a new coach or desire to renew your ICF coaching credentials (ACC or PCC) these sessions will meet the requirements of ICF and will be co-designed to assess focus. Sessions will include client/coach role play, client recordings and feedback, and shadow coaching (when feasible).

#### What to expect from Diana's Mentor Coaching:

- Recognize your coaching strengths and consciously use them
- Discover unconscious habits that affect your coaching presence and results
- Find out what biases you hold and how to work with them
- Increase capacity for accessing your inner knowing and intelligence and the client's
- Become more attuned to your client's transformational path
- Skillfully work with somatic and emotional intelligence
- Trust and attune to your client's innate depth and desire to grow

#### What to expect from Diana:

- Appreciative honest feedback
- Recognition and acknowledgement of natural capacities and coaching style
- Coaching practice that opens up new coaching abilities based on foundational shifts in understanding and experience of self as coach
- Accountability
- To be challenged!

*"Diana Redmond is an inspired mentor coach. She draws from her own spiritual and professional journey, references her knowledge and experience with the Enneagram, and shares insights that bring coaching skills to life. A year after my work with Diana, I ask bolder questions, listen with my whole body, mind, and heart, and mine the silences with more precision. Diana is a delight to work with - as rigorous as she is warm." – M.H.*
